Welcome to your Photo Album!

Please input your login ID:	Text Field (Empty by default)

Log In

Close

Users will have the opportunity to input their login credential (Just a username).

If the textfield is not filled in with some value, then the Log In button will be disabled.
        Once the textfield is filled with some value, the string will be checked with existing users.
        If a match is found, the user is then redirected to the album management page -> (3)
        If no match is found, the user is prompted that match was not found -> (2)
        If the value matches that of an admin account, the user will be directed to the admin tool window -> (12)
By clicking the Close button, the user will close this application.
